

Dear Abby, I promise,
that you may want for
the lot - it has been returned
by someone who has been here
since it arrived and would not
accept of it, says
I am going off to Chicago in

Dear Cliff
sorry that we have been absent
for so long - and had to travel
to find a day to get up to
Larven. before the weather turned
rotten, but it seems that
that's end of our new - over
the weather rotten. But
it seems that we had luck
in our old luck there - that
being that we have found what
we hope will be our first
permanent place where we
left Division 2 - which was
permanent for only 6 months.
It should be a great place,
"home sweet home". But at only
rate we have been working 40
hours getting this place fixed
up - waiting of the old cant-
tanking - fire - a new electrical
and plumbing - a whole overhaul

A man in a leotard is captured mid-air, performing a ski jump. He is wearing a light-colored, form-fitting leotard and is holding two long, thin skis. The background is a bright blue sky with large, white, fluffy clouds. The man is in a dynamic pose, with one leg bent and arms extended, suggesting a graceful landing or a specific jump technique.

Dear Cliff

Hi Cliff, I hope you are well. I am writing you a letter to tell you about my trip to the beach. I went with my family and we had a great time. I saw a lot of beautiful things and I took a lot of pictures. I hope you like them. I will send them to you when I see you. I am also writing you a letter to tell you about my trip to the beach. I went with my family and we had a great time. I saw a lot of beautiful things and I took a lot of pictures. I hope you like them. I will send them to you when I see you.

Love,
