

Basic Detail Report

letter

Date
April 21, 1981

Primary Maker
Terry Allen

Medium
Typewritten letter with envelope

Description
Thanks for the letters and drawings. He has just returned from Kalamazoo, MI where he was invited to do a lithograph. He was in Winston Salem, NC where he saw a poster of a drawing of HCW's called the Stranger. He relates a story about a dogcatcher from his childhood. Mentions his upcoming singing engagements. Attached a label from a prescription to prove to Joanna that his doctor's name really is Kwok. [date from postmark]
