JAN. 19 4 Dear Cliff

Bear Cliff...... Recognize wy handwriting? Freity cormy I know. I used to be a per minute. I get vorse overy year but I still like to think of system of the system of the system of the system of the system are specified over the system of the system over shows a yellow Merlin the Marker species and color t.y. - the sunday arterneous at the I could think 55 words per minute. Amazing! (on you type as fast as you can think?) Two been turning over the writing to Eap while I interneous et the system over the writing to Eap while I are return but dues the system over the writing to the write over the system over the writing to the write over the system the system over the writing to the write over the system the system over the writing to the write over the system the system over the writing to the system over the system the system over the writing to the system over the system the system over the writing to the system over the system the system over the writing to the system over the system the system over the writing to the system over the system the system over the writing to the system over the system the system over the system over the system over the system the system over the system over the system over the system the system over the system over the system over the system are arrively brightening up wy place. Do you want cup, likes are arrively brighten the first lugging that big log. Consider the form the system to fail that study that the system over the system when any any and drawings, cup and another cup. You and the system when the system of the system over the system over the system over the system when any the system of the system over the system over the system when any the system of the system over the system over the system to be how with your the system over the system over the system over the system to be how the system over the system over the system over the system the bestem of the system over the system over the system over the system the bestem of the system pleasures in life, hearing from dear friends. It's great. I trust all is well back there. This thing just switched over to double space. Machines do whatever they want. Did you watch the guys go space. Nachines do whatever they walk. Did you watch the got a around the moon? We're planning a few trips this summer. maybe we can get by to see you. If not, may be having a cup show at the Whitney in the fall (still open) à will come back if so and check you out then, unless you come back here. Everyone misses you. Now that I'm a free agent again will keep in better touch. Have a few that I'm a free agent again will keep in better touch. Have a few that I'm a free agent again will keep in better touch. curios and basic necessities of life for you and the little woman, which will arrive sometime after I get them to the post office. We love you. Hest wishes!!! -K.

letter
