Dear Muths + Mike + Kids:

Boy oh boy it was swell hearing from you - I always like that! And your tale of the big trip to L.A. was sure interesting. You guys really get around! I think it's wonderful. I'm glad you all are in good spirits + I'll bet de Mike is glad to be off the Krispy Kunches for meals, heh, heh, heh!!

Oceanside rings a bell with me + unless son Gray got knocked off he should be back here in the state someplace by now, the turkey neck. Well Tues (the 27th) I'm leaving for L.A. I want to avoid
