Dear Cliff,

You are right...I did forget to send you Sterling's address. Here it is:

50 Vista del Sol
South Laguna 92677

I know he will love hearing from you. He seems to be doing quite well although he does have his bad days in between the good ones. It took him a while to get over the jet-lag and he still has his two nurses but he seems to be on the up-swing.

Proposition 13 did it to us in sunny (now gloomy) California. I, and thousands like me, are loosing our jobs. I shall be beating the pavement looking for work but something better than this is bound to turn up. I have a couple of things on the back burner.

Love to you both,

Betty
