

Basic Detail Report

letter

Date

September 8, 1976

Primary Maker

Robert Delford Brown

Medium

Handwritten letter with envelope

Description

He predicts that 1977 will be the greatest year HCW and Joanna ever have. Part of becoming an official religious leader is telling fortunes. In November the "1st National Church is going to be open to the public—and we will celebrate it with a party—this celebration will occur every year from now on—it's going to be called V.D. day—for victory over dumbness day!"
